The above is a list of new tribal gaming allocations and will need new appropriations. The UW Aquaculture may be able to piggy back onto the existing aquaculture appropriation. Each of these appropriations should be **PRS**.

** The Town of Swiss Wastewater allocation under 370 (6)(bk) should have the sunset extended for 2 additional years (ending on June 30, 2007). This will NOT need a new alpha appropriation.

Many of the allocations are ones that were made under prior biennia. Might it be possible to use those alphas?

Additionally, each of these will need a new reference under 20.505(8)(hm)

Cindy,

The statutes already include an appropriation under s. 20.143 (1) (kh), for the Department of Commerce grant for an American Indian business liaison. However, there is no schedule entry for s. 20.143 (1) (kh).

No statutory change is needed for the UW Aquaculture operations appropriation.

The grant to Beloit College may violate the state constitutional prohibition against enacting private or local laws in a multi-subject bill.
